FACSIMILE BID SPECIFICATIONS

U.S. Government Publishing Office (GPO)
Washington, D.C.

GPO CONTRACT TERMS: Any contract which results from this Invitation for Bid will be subject to the applicable provisions, clauses, and supplemental specifications of GPO Contract Terms (GPO Publication 310.2, effective December 1, 1987 (Rev. 01-18)) and GPO Contract Terms, Quality Assurance Through Attributes Program for Printing and Binding (GPO Publication 310.1, effective May 1979 (revised 8-02)).

The GPO 910 "BID" Form is no longer required. Bidders are to fill out, sign/initial, all applicable pages.

BIDDERS, PLEASE NOTE: GPO has issued a new GPO Publication 310.2, GPO Contract Terms – Solicitation Provisions, Supplemental Specifications, and Contract Clauses (Rev 1-18). Prospective bidders should carefully read this publication as the applicable terms within become an integral part of this contract. The document is posted at <https://www.gpo.gov/how-to-work-with-us/vendors/forms-and-standards> along with a list of major revisions.

PREAWARD CONFERENCE: Unless waived by the Contracting Officer, the total requirements of the job as indicated in these specifications will be reviewed by Government representatives with the contractor's representatives via telephone conference prior to award.

Any modification that results in a price change must be authorized by DLA Data Management Services before the contractor/vendor proceeds. Failure to obtain this authorization may result in non-payment for those modifications.

All the requirements of these specifications apply equally to all items unless otherwise indicated herein.

CONTRACTOR TO FURNISH: All materials and operations, other than those listed under "Government to Furnish," necessary to produce the product in accordance with these specifications.

Prior to image processing, the contractor shall perform a basic check (preflight) of the furnished media and publishing files to assure correct output of the required reproduction image. Any errors, media damage, or data corruption that might interfere with proper file image processing must be reported to the contract administrator.

The contractor shall create or change any necessary trapping, set proper screen angles and screen frequency, and define file output selection for the imaging device being utilized. Furnished files must be imaged as necessary to meet the assigned quality level.

NOTE: CONTRACTOR MUST PROVIDE IN AN EXCEL SPREADSHEET, ALL DELIVERY TRACKING NUMBERS TO JROTC POC's, THE DAY THE PRODUCT SHIPS: garth.carr@dla.mil and curtis.cox@dla.mil.

LAYOUT AND DESIGN:

Contractor to combine the appropriate number of word files for each Item (each Item is in a separate folder) and add consecutive page numbers on each page and create the Table of Contents for each book. (The first page of each separate word file starts as an odd page. Contractor to add blanks as required. Note: Some pages include a printed page number that may need to be changed. See file counts for each item under "Pages" herein.

Contractor to create the Table of Contents for each of the 10 items. (See attachment 1 for an example of a Table of Contents shell which is provided with each book). Contractor to format and add page numbers.

PAPER and BINDER SAMPLES: Contractor to submit a minimum of 15 8-1/2 x 11" blank sheets of the actual paper and two samples of the 3-ring binders that will be used in the production of the contract requirements for approval. Each sample must be of the kind and quality required by the specifications. The Government will rely on the samples only as a reference to the general appearance of the stock that will be provided by the contractor in conformance to the specifications. The Government assumes no contractual obligation to perform any inspection and test for the benefit of the contractor. The Government's failure to inspect and accept or reject the paper samples shall not relieve the contractor from responsibility, nor impose liability on the Government, for nonconforming paper. Send paper and binder samples directly to: Garth Carr, Customer Data Relations Management, 1001 Barnett Ave., Quantico VA 22134. Phone 571-767-8050. Contractor must call GPO Contract Compliance Section at 202-512-0520, or e-mail information to compliance@gpo.gov immediately upon sending/delivering proofs and immediately upon notification of approval of samples. Samples will be approved not more than 5 workdays from receipt in the department.

E-MAIL PROOFS (indicate margins): CONTRACTOR MUST NOT PROCEED TO PRIOR TO PRODUCTION SAMPLES PRIOR TO RECEIVING AN "OK TO PROCEED TO PRODUCE PRIOR's". One set of E-Mailed Electronic Page Proofs. Contractor to submit one "Press Quality" PDF "soft" proof (for content only) using the same Raster Image Processor (RIP) that will be used to produce the final printed product. PDF proof will be evaluated for text flow, image position, and color breaks. Proof will not be used for color match.

E-Mailed proofs (marked with Jacket/Req. Number plus return name and E-Mail address) directly to the Agency at garth.carr@dla.mil and curtis.cox@dla.mil. Contractor must call GPO Contract Compliance Section at (202) 512-0520 immediately upon E-Mailing proofs and immediately upon receiving the returned proofs (or OK E-Mail) back from the Department. Proofs will be withheld not more than 5 workdays from receipt at the Department to receipt in the contractor's plant.

After approval of the e-mail proofs and paper and binder samples, contractor to provide:

PRIOR TO PRODUCTION SAMPLES: Prior to the commencement of production of the contract production quantity, the contractor shall submit samples to: Garth Carr, Customer Data Relations Management, 1001 Barnett Ave., Quantico VA 22134, phone 571-767-8050. 5 samples will be tested for conformance of material(s) and will be tested for usage on the specified equipment and/or for construction and color and pantone match. The container and accompanying documentation shall be marked PREPRODUCTION SAMPLES and shall include the GPO jacket, purchase order, and program numbers. The samples must be submitted in sufficient time to allow Government testing of the samples and production and shipment in accordance with the shipping schedule.

The Government will approve, conditionally approve, or disapprove the samples within 5 workdays of the receipt thereof. Approval or conditional approval shall not relieve the contractor from complying with the specifications and all other terms and conditions of the contract. A conditional approval shall state any further action required by the contractor. A notice of disapproval shall state the reasons therefor.

If the samples are disapproved by the Government, the Government, at its option, may require the contractor to submit additional samples for inspection and test, in the time and under the terms and conditions specified in the notice of rejection. Such additional samples shall be furnished, and necessary changes made, at no additional cost to the Government and with no extension in the shipping schedule. The Government will require the time specified above to inspect and test any additional samples required.

In the event the additional samples are disapproved by the Government, the contractor shall be deemed to have failed to make delivery within the meaning of the default clause in which event this contract shall be subject to termination for default, provided however, that the failure of the Government to terminate the contract for default in such event shall not relieve the contractor of the responsibility to deliver the contract quantities in accordance with the shipping schedule.

In the event the Government fails to approve, conditionally approve, or disapprove the samples within the time specified, the Contracting Officer shall automatically extend the shipping schedule in accordance with Contract Clause 12, "Notice of Compliance with Schedules," of GPO Contract Terms (GPO Publication 310.2, effective December 1, 1987 (Rev. 01-18)).

Manufacture of the final product prior to approval of the sample submitted is at the contractor's risk. Samples will not be returned to the contractor. All costs, including the costs of all samples shall be included in the contract price for the production quantity.

All samples shall be manufactured at the facilities in which the contract production quantities are to be manufactured.
